Harborlight Annual Port Economic Impact & Licensing Report 2025

Measuring Regional Logistics Resilience, Licensing Pass Rates & Growth

Harborlight Maritime & Logistics College - Baltimore, Maryland

SECTION 1: EXECUTIVE OVERVIEW & REGIONAL WORKFORCE SYNERGY

In 2025, Harborlight Maritime College enrolled 1,480 students across four collegiate degree programs and ten professional certification pathways, supplying over 340 highly qualified graduates directly into Mid-Atlantic maritime logistics industries.

SECTION 2: KEY BRIDGE DISRUPTION RESPONSE & TELEMETRY OUTCOMES

Details the institution’s role in orchestrating the 72-hour emergency diversion of 140,000 TEU across alternative rail and coastal corridors following the Francis Scott Key Bridge channel closure, averting over $185M in supply chain losses.

SECTION 3: LICENSING PASS RATES & SUSTAINABILITY MILESTONES

Harborlight achieved a 98.7% first-time pass rate on USCG licensing examinations and a 94.2% pass rate on the national customs broker exam. Our green shore power test pier abated 1,420 metric tons of sulfur and carbon emissions along the Patapsco River.
